- All leisure activities will stay in place. Community and well-being events are subject to change.

- A few new events have been placed into the program. [BOSS Soldier Forum](#) is a meeting where Soldiers get to voice their opinion on anything in the FMMC having to do with their well-being. A representative from every organization that deals with FMMC is available to hear what the Soldiers have to say and to solve the problems. [BOSS Day](#) allows single Soldiers and single parents the opportunity to come out one

afternoon, during the week, to enjoy food, beverages and fun. Eligible Soldiers will be able to take the afternoon off, get in civilian attire and enjoy each others company.

- Should anyone have questions or comments, feel free to call SGT Kraus at 703-696-1361.
